THE STALK OF THE LOTUS FLOWER IS EASILY BENT BUT EXTREMELY DIFFICULT TO BREAK DUE TO ITS INCREDIBLY STRONG FIBERS. Our 1" Aluminum Mini Blind is engineered using static and crease resistant aluminum slats, designed to spring back if pulled out of shape. Steel head and bottomrails provide maximum support.

Now with a sleek, modern headrail, there's no longer any need for valances, making our 1" Aluminum Mini Blind even more durable and simple to install.
